

Dear Valued Parents of HIGH SCHOOL Students,

We are proud to inform you that we offer MyMealOrder (www.MyMealOrder.com), a state-of-the-art online service that provides you with the convenience and information you need to manage your student's meal purchases and meal account.

This system eliminates the need to send checks to school or worry about lost or forgotten money and ensures that your child's meals are paid for. You have the ability to pay by checking or credit card. Each payment processed within MyMealOrder.com will include a 4.45% processing fee. To avoid the processing fee, you do have the option to send in cash or check (made payable to Duke Catering) with your student to give to the cashier in the café.

When you add money to your account, it will create a positive balance. The next time your student makes a purchase, that money will automatically be applied towards the purchase and the balance will decrease.

*Please note that we do not allow the students to go more than \$10 in the negative. Once they hit the \$10 negative mark they will not be allowed to purchase lunch.

We strongly encourage all parents to create an account at no cost through <https://MyMealOrder.com>.

To sign up, simply visit: <https://MyMealOrder.com> and click the Login button, then click on "Register for a Free Account." ***Please enter Duke Catering as your school district.*** You will need your student's name, (ID number for Camden Catholic) and school to complete registration. **Once you finish registration, you may log-in to begin managing your student's account instantly!**

We consistently strive to find new and better ways to serve our students and our families, and we thank you for partnering with us in this effort.

Best Regards,

Duke Catering
